Sir,

Ref: Tenders - supply of -- Carbolic soap - exceeding Rs.500 - Omission - relaxation of rules - requested.

In their order No. MS 3244 P. H., dated the 13th November 1946, Government have commended to localbodies the purchase of carbolic soap required for Public Conservancy purposes from the Kerala Soap Institute, Calicut. An order for the supply of 12 cases of Carbolic soap required for distribution among the conservancy menials was placed ~~before~~ with the Kerala Soap Institute, Calicut by the Municipal Health Officer on 9th August 1947 assuming that the total cost may not exceed Rs.500 as the previous supply was charged at Rs.39 per case. But as the Company later informed, that their rates

have been

have been revised from 16th July 1947 the consignment had to be paid at their revised rate of Rs.50 per case. The total cost thus paid for 12 cases of soap supplied amounted to Rs.601-10-0. Under these circumstances tenders could not be invited for this supply though the total cost exceeded Rs.500 as required by rules. I, therefore, request that Government may be pleased to approve the purchase made.

Memo. No. 31372/48-1 P.H dated 11-5-48

In his letter cited above the Commissioner, Mangalore Municipality states that in G.O.No. 3244 P.H. dated 13-11-46, " Govt. have recommended to local bodies the purchase of carbolic soap required for Public conservancy purposes from the Kerala soap Institute, Calicut." No such orders were issued in that G.O. The G.O. merely stated that the sanction of Government was not necessary for the monthly supply of two cakes of soap to scavengers and sweepers and that the council itself might sanction the supply. In the circumstances the Commr. is requested to quote the exact authority for his statement
